Message from the Advisory Committee Chairman

Dear Industry Colleague,

Following the success of the Offshore Technology Conference (OTC) Asia in Malaysia, we are pleased to invite you to participate and showcase your technical and innovative solutions, advancements and services at the upcoming OTC Asia, to be held from 20 - 23 March 2018 at the Kuala Lumpur Convention Centre in Kuala Lumpur, Malaysia.

Designed and programmed to benefit the industry in the region and around the globe, OTC Asia is a collaborative effort amongst 13 international professional sponsoring organisations, two endorsing organisations, and numerous supporting organisations.

Following OTC Brasil and the Arctic Technology Conference, OTC Asia represents the third international expansion of the highly successful OTC held annually in Houston, Texas, U.S.A. OTC is the world's premier event for the development of offshore resources, concentrating on the fields of drilling, exploration, production and environmental protection. For over forty-five years, it has provided a platform for the industry to come together to solve challenges, network, share lessons learnt and conduct business.

The maiden OTC Asia, held in March 2014 in Kuala Lumpur, achieved a remarkable attendance of over 25,000 industry professionals from 88 countries and 79 nationalities. More recently, the second OTC Asia held in March 2016 succeeded in attracting more than 20,000 attendees from 70 countries despite the challenging industry climate, establishing it as the region's premier international offshore energy event. It is anticipated that OTC Asia 2018 will match, if not exceed, the benchmarks set by previous OTC Asia editions.

PETRONAS is pleased to be continuing its support of Asia's premier offshore energy event as OTC Asia's Corporate Supporting Organisation. We look forward to your participation and working with you to make OTC Asia 2018 a success.

Sincerely,

Datuk Wan Zulkifle Wan Ariffin
Advisory Committee Chairman
Offshore Technology Conference Asia
President & Group CEO

ABOUT OTC ASIA

Participate in the offshore energy industry's premier, global event!

During three and a half dynamic days at the Offshore Technology Conference Asia (OTC Asia) exhibition hall, your company can showcase its products and services to the world's leading experts and key decision-makers in the offshore energy industry.

As an exhibiting company at OTC Asia, you can demonstrate your new technologies / services as you network with valued clients and make new business contacts. As a sponsor, promote your industry standing and presence to the offshore community.

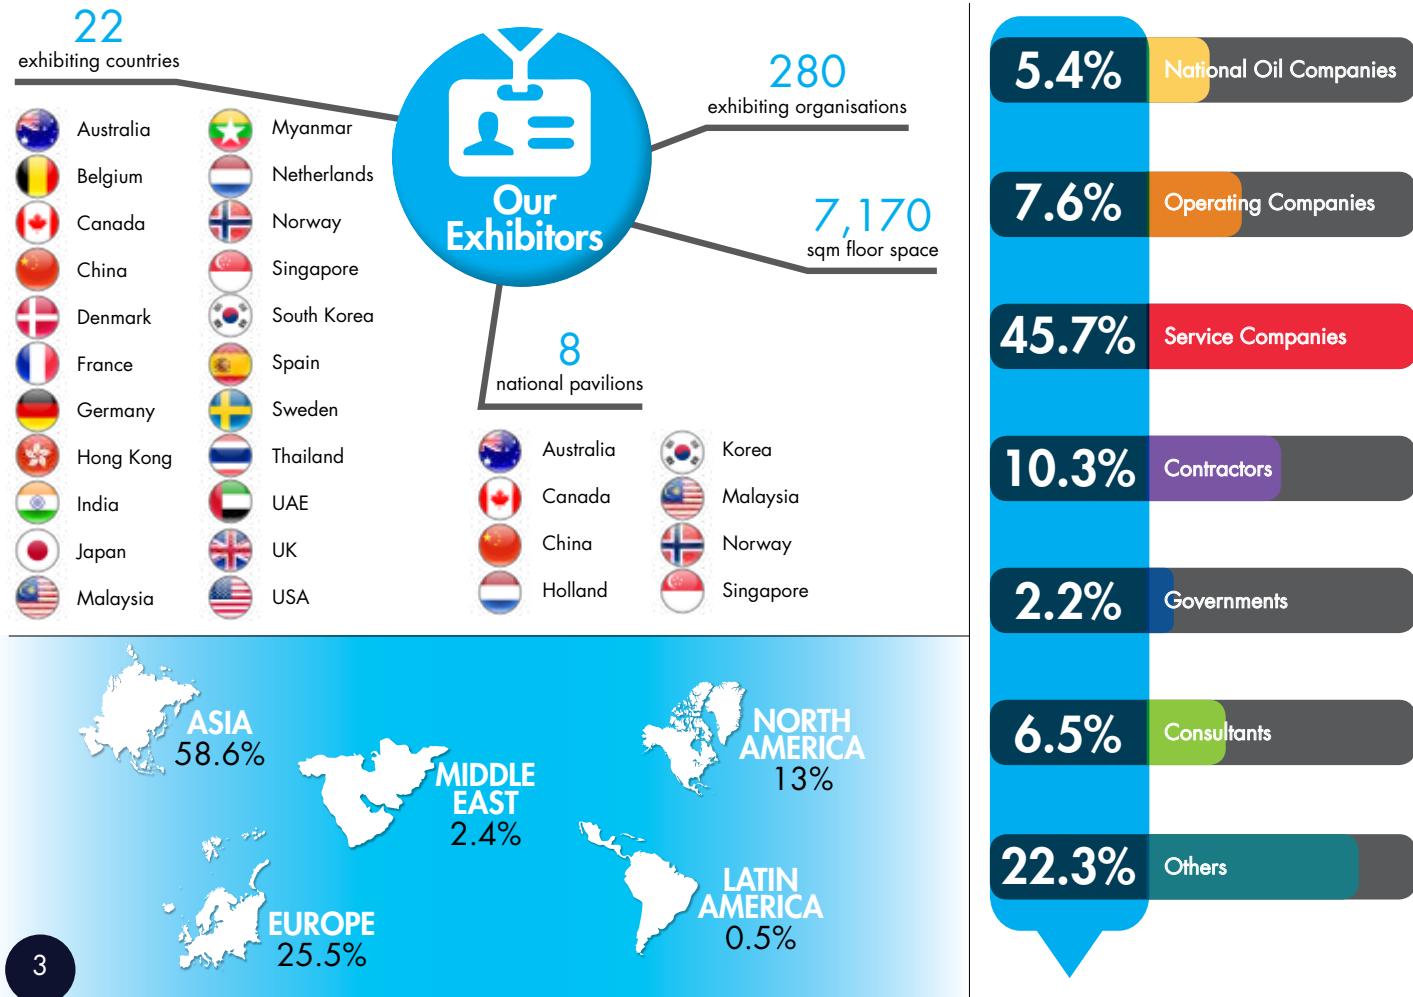

About the Offshore Technology Conference Asia (OTC Asia)

The biennial OTC Asia is where energy professionals meet to exchange ideas and opinions to advance scientific and technical knowledge for offshore resources and environmental matters.

OTC Asia provides the ideal platform to reflect on the achievements and aspirations of the region and the industry, and what it takes for Asia to remain resilient and responsive to a growing energy market.

OTC Asia 2016 – A Resounding Success

The most recent OTC Asia held 22-25 March 2016 in Kuala Lumpur, Malaysia attracted 20,007 industry professionals from 70 countries. The event also included an exhibition showcasing the products and services of more than 280 companies.

SPOTLIGHT ON NEW TECHNOLOGY

SpotlightSM on new TECHNOLOGY

To be considered for the OTC Asia Spotlight on New Technology Programme, technology must meet the following six criteria:

1. New – the technology must be less than two years old dating from the first time it was introduced to the marketplace or was advertised for sale.
2. Innovative – the technology must be original, ground-breaking, and capable of revolutionising the offshore E&P industry.
3. Proven – the technology must be proven, either through full-scale application or successful prototype testing.
4. Broad Interest – The technology must have broad interest and appeal for the industry.
5. Significant Impact – The technology must provide significant benefits beyond existing technologies.
6. Regional Impact – The technology must address an issue unique to the Asia Pacific region.

Two award categories are available:

- Spotlight on New Technology Award
- Spotlight on New Technology Small Business Award

The Spotlight on New Technology Small Business Award recognises the innovative technologies being developed by small businesses (less than 300 employees). To be considered, your company must:

- Be independently owned and operated for a not-for-profit concern.
- Have no more than 300 employees for the preceding twelve months.
- Meet all other Spotlight on New Technology requirements.

Submit Your Application (if possible put this on the left side of page)

- The deadline for application is 23 September 2017.
- Applications and instructions for submitting your proposal online are available at <http://2018.otcasia.org/>.
- To qualify, applications must be thoroughly completed and include the USD2,000 entry fee.
- Entries are limited to two per exhibiting company.
- Entries must include a company logo, 150-word product description, high-resolution graphics of the technology and a 15-30 second video.
- Companies will be notified 9 November 2017.

Put the Spotlight on Your New Technology

The OTC Asia Spotlight on New Technology programme is designed specifically for OTC Asia exhibitors to showcase their most recent, noteworthy technologies.

Benefits of Participation

Companies chosen to receive the Spotlight on New Technology Award receive:

- Acknowledgement in an OTC Asia news release.
- Advanced recognition on the OTC Asia website and social media platforms.
- Acknowledgement at an on-site awards ceremony with media invited.
- Recognition in a special section of the OTC Asia conference programme.
- A special emblem of recognition for your company's booth to designate selection.
- Special signage at your booth on the exhibit floor.
- Use of the OTC Asia Spotlight on New Technology logo until the end of the calendar year (2018), including usage at any other OTC events held that same year.
- OTC Asia Spotlight on New Technology Small Business Award winners receive the same benefits as listed above, with the added recognition as a "Small Business Award" winner.
