INVITATION TO MIDYEAR VISIT NORWAY TOURISM SEMINAR 2018

Scandinavia is ranked as the third destination Thai tourists visit in Europe. Norway is becoming increasingly popular, that is evident from the increasing number of Thai tourists visiting Norway. The fjords of Norway as well as winter tourism including Aurora hunting continue to attract visitors and in addition there are other experiences new to Thai tourists that are starting to gain popularity.

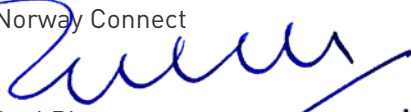

In order to attract more Thai tourists to visit Norway, Norway Connect is organising a **Mid-Year Visit Norway Tourism Seminar 2018** on **Tuesday, 7 August 2018, 13.00 – 16.00 hrs. at the Sheraton Grande Sukhumvit Hotel** at the Sukhumvit Room located on the second floor. We are pleased to invite you to participate in the event.

We have invited a number of inspiring guest speakers who have long experience from handling Thai tourists in Norway. The speakers will share their experiences and tips for arranging new products for the outbound Thai tourism market. This is a great opportunity for you to update yourself on more information about tourism to Norway and to learn more about new travel routes and sights of interest. In addition, we will have a fresh Norwegian salmon bar so you can explore the taste of Norwegian salmon flown in from the cold, clear waters of Norway.

Details about the mid year Visit Norway Tourism Seminar 2018 can be found in the enclosed documentation. Kindly send the reply form to joe@norway-connect.com by 20 July 2018.

We appreciate your support and hope that you will be able to attend the seminar.

Yours Sincerely,

Norway Connect
